

ParentLink® is the Clark County School District's parent communication system for all students in grades K-12, providing up-to-date information regarding student attendance, grade book assignments, links to teacher e-mail and class Web sites, announcements, cafeteria information, and much more! For added convenience, parents with more than one student in CCSD may access all of their children's information at various schools with one login ID, online or by the telephone, and in English or in Spanish.

How to Access ParentLink®

For first-time users, your login information will be provided by your child's school at the start of the school year. For further information and assistance please contact your child's school directly.

For those who have logged in to ParentLink®, we encourage you to check the MY ACCOUNT tab to make sure that your information is up-to-date and your most current e-mail address is stored in ParentLink®. If you need to update information such as an old address or phone number, this information must be completed at your child's school.

Go Green! Sign up for E-mail Messages

Providing your e-mail address in ParentLink® enables you to reset your password if it is ever lost or forgotten, receive e-mail messages from your school, and subscribe to other important ParentLink® communications. Simply log in to ParentLink®, click on the MY ACCOUNT tab, and click the ADD button in the E-mail Addresses section. Then click SAVE to save your address once it is entered on the Add E-mail Address page. Don't delay, set up your e-mail address today!

Board of School Trustees
