STUDENT CODE OF ETHICS

As a secondary student in the Clark County School District I will, at all times strive to demonstrate the seven qualities of moral character fundamental to human conduct: **Respect, Integrity, Responsibility, Empathy, Courage, Manners and Justice.**

**Respect** -- Students demonstrate respect by being considerate of others and for the property of others. Students demonstrate respect for themselves through adherence to these character traits.

**Integrity** -- Students demonstrate integrity through honest and sincere interactions with others. Students demonstrate academic honesty by producing work that is theirs alone.

**Responsibility** -- Students demonstrate responsibility by being dependable, accountable, and taking ownership for their actions.

**Empathy** -- Students demonstrate empathy by being considerate of and sensitive to racial, ethnic, cultural, and community values.

**Courage** -- Students demonstrate courage by expressing their thoughts and feelings in a responsible and respectful way.

**Manners** -- Students demonstrate good manners by being conscientious of and respectful to adults and to each other at all times.

**Justice** -- Students demonstrate justice by treating others in a fair and equitable way.
CODE OF CONDUCT

FOR

SECONDARY STUDENTS

Our schools reflect an image of what occurs in our communities; therefore, it is essential that schools prepare students academically and morally to meet today's challenges. The Clark County School District has an obligation to provide a proper academic and social structure so that all who participate in the educational process can do so in a productive and positive educational environment. Qualities of respect, integrity, responsibility, empathy, curage, manners, and justice are fundamental to human conduct. Students are expected to demonstrate these character traits at all times.

Most students are very serious about taking full advantage of the time they spend in school. They are conscientious about their academic endeavors and their school behavior. They have a good attitude toward school. Students who come to school to learn and participate in school activities seldom have difficulty complying with school rules.

Unfortunately, there are some students who are less sincere about school. They experience difficulty in maintaining a reasonable attitude toward school rules, and the resulting inappropriate behavior creates problems for themselves as well as for fellow students, parents, and school personnel. Student behavior that disrupts the educational process must be addressed and corrected. To this end, the Clark County School District Board of School Trustees has promulgated policies and regulations upon which this Student Code of Conduct is based.

Education is a process which requires reasonable order and decorum. Conduct is the manner in which students are expected to act so that order and decorum can be maintained. Students have certain basic rights under the Constitution of the United States and Nevada State Law. Those rights, however, do not extend to infringement on the rights of teachers to teach and other students to learn. Those rights cannot be exercised in an environment of disturbance and fear.

It is the responsibility of each principal to take appropriate actions as necessary to protect students and school personnel from dangerous or socially detrimental actions of students. A student who obstructs any teaching, administrative, or extra curricular activity is subject to such disciplinary actions as set forth in this STUDENT CODE OF CONDUCT handbook, or in Clark County School District Regulation 5141.1 Discipline: Control of Dangerous and Antisocial Behavior. Every student is strictly accountable for his/her conduct in school or school-related functions, away from school property or off school property when that conduct directly impacts the health, welfare, and safety of students or school employees.

To assist students, parents, and staff in maintaining such an environment, this STUDENT CODE OF CONDUCT has been developed. Disciplinary offenses and consequences set forth herein are based upon CCSD Regulation 5141.1 Discipline: Control of Dangerous and Antisocial Behavior.

This parent/student booklet describes problem behavior areas and consequences for such behavior.

This booklet describes only major behavior areas. At any time, students may be corrected and counseled by teachers, administrators, or other school district personnel regarding their behavior. Students will be informed as to what they need to do to correct inappropriate behavior.

After reading the STUDENT CODE OF CONDUCT, students are asked to share it with their parents or guardians. It is a basic code of conduct designed to assist and support students by providing an atmosphere where they have full freedom to learn.

Special education students are also responsible for complying with the STUDENT CODE OF CONDUCT and will be disciplined in accordance with the guidelines set forth under the Individuals with Disabilities Education Act (IDEA).
HOW TO USE THIS PUBLICATION

Through careful reading of this booklet, students and parents should be able to understand the expected Code of Conduct. They will be aware that inappropriate behavior will result in correction of such behavior through constructive and corrective disciplinary action. It is advisable that the reader first become familiar with the Student Code of Ethics and Table of Contents.

This booklet is divided into three main sections:

The first section provides DEFINITIONS* for specific behavior offenses that are cause for disciplinary action to be taken by school personnel.

The second section provides a chart titled BEHAVIOR OFFENSES AND CONSEQUENCES which outlines specific behavior offenses and a series of subsequent disciplinary actions that may occur. The sequence of disciplinary actions listed demonstrates the minimal disciplinary action, which may be taken, and defines possible additional consequences for each behavior offense. School officials accept responsibility for administering appropriate consequences from the list of corrective disciplinary actions. The decision regarding the consequence will be based on circumstances unique to each individual incident of inappropriate behavior. Factors such as the cause and severity of the offense, the student's attitude, length of time since the last incident, and the student's past behavior records may influence the disciplinary action to be taken. A good record of behavior can result in the administration of minimal disciplinary actions while the student who is more frequently involved in problem behavior can expect more severe consequences. A single incident of severe inappropriate behavior may require application of more than one consequence(s). (For example, a student may be placed on Suspension, recommended for Expulsion, and referred to the Student – Parent Substance Abuse Awareness Program.)

There are major problem areas that not only violate school rules but federal, state, and local laws as well. When inappropriate behavior violates law, school officials will take appropriate disciplinary action as well as make a referral to law enforcement and Clark County Juvenile Justice Services authorities for criminal misconduct. Any action law enforcement authorities might take such as a citation or arrest is separate from any action taken by the school. If the student is arrested, law enforcement officials will normally transport the student to the Clark County Juvenile Detention Center. In accordance with juvenile court practices, the parent is notified by the Clark County Juvenile Justice Services personnel when a child is detained. In accordance with district regulation, the decision to notify parents/legal guardians that a child has been taken into protective custody will be made by the person taking the child into custody. If a parent/legal guardian requests information concerning the child, the parent/legal guardian must be referred to the person who made the decision to take the child into protective custody.

The third section provides descriptions of CORRECTIVE DISCIPLINARY ACTIONS that may be administered in the event of inappropriate behavior. The remainder of this booklet contains: BULLYING and CYBER-BULLYING, the STUDENT DRESS CODE, RULES of CONDUCT FOR SCHOOL BUS RIDERS, UNDERSTANDING THE WARNING SIGNS OF VIOLENCE, the NEVADA CODE OF HONOR, and the EDUCATIONAL INVOLVEMENT ACCORD.

NOTICE OF STUDENT SEARCHES

Students are hereby informed that they will be subject to search when they enter campus after the beginning of the school day. This includes, but is not limited to, unauthorized returns. This notice does not exclude personnel, however, from searching a student at any time should there be reasonable suspicion of wrongdoing.

ARSON
The willful burning of property.

ASSAULT AND/OR BATTERY ON A SCHOOL EMPLOYEE
Physical abuse and/or threats of physical abuse directed at a school employee.

DRUGS/ALCOHOLIC BEVERAGES
Use, possession and/or distribution of a controlled and/or illicit substance or any substance represented to be such.

IMMORAL CONDUCT
Contact as it pertains to sexual behavior between individuals.

WEAPONS
Possession, use, transmittal, or concealment of ANY operable or inoperable weapon. Weapons are defined as firearms, knives, explosives, inflammable materials, or other items that may cause bodily injury or death. BB and pellet guns, paintball guns, pocket knives, and fireworks are weapons. The Gun-Free Schools Act and NRS 392.466 specify expulsion requirements based on type of weapons, and/or circumstances surrounding the infraction.

STUDENTS FOUND IN VIOLATION OF THE ABOVE WILL BE REFERRED FOR PROSECUTION TO THE FULL EXTENT OF THE LAW
CORRECTIVE DISCIPLINARY ACTIONS

DISCIPLINE is the combination of a mental attitude and a system of personal self-control that results in a standard of behavior demonstrated by appropriate conduct in all situations.

In education, it is a process which strengthens, molds, and corrects student behavior through a system of essential rules, and when necessary, just and constructive consequences.

INFORMAL CONFERENCE
School official talks with the student and attempts to reach an agreement regarding the student’s behavior.

CONFERENCE
Formal conference is held between the student and one or more school officials. During this conference, the student must agree to correct his/her behavior or additional disciplinary measures may be considered.

REQUIRED PARENT CONFERENCE – (RPC)
A Notice of Required Parent Conference (CCF-805) is to be used by deans, assistant principals, and principals when a student-parent conference is required. The school office is to schedule the conference as soon as possible.

IN-SCHOOL PROCEDURES
School official administers disciplinary procedures intended to correct inappropriate behavior while allowing the student to remain in a class or classes. Such in-house procedures may include telephone contact to parent, teacher assigned discipline, loss of classroom credit for scholastic dishonesty, detention, bus citation including revocation of bus-riding privileges, removal from extracurricular activities, placement in In-House Suspension Program or temporary alternative placement (removal of student from class or classes and temporary placement in an alternative setting), revocation of privileges, and other appropriate in-house procedures.

SUSPENSION
If a student commits an offense that merits his/her removal from school, the Notice of Suspension (CCF-806) is used. Suspension is defined as the temporary removal of a student from school to (1) seek problem resolution, or (2) ensure that the student’s presence at the school does not constitute a danger to himself/herself or others, or (3) accomplish stringent disciplinary actions such as a behavior school referral or expulsion. A student may be suspended for up to ten school days or pending a behavior school referral or expulsion recommendation which must be made in accordance with CCSD Regulation 5114.2. Students on suspension status are not allowed on a school campus or at any school sponsored activity for any reason without the express prior permission of the school principal.

CORRECTIONAL EDUCATION PROGRAM
Students expelled for serious offenses are subject to arrest and referral to the Clark County Juvenile Justice Services for adjudication. The court may act to place students under its jurisdiction. In doing so, the student is enrolled in a school district education program.

BEHAVIOR SCHOOL REFERRAL
A behavior school provides instruction for school age students in grades 6 through 12 who have had behavior problems in a comprehensive school. Placement duration is dependent upon positive student performance in this more restrictive program with the opportunity to return to a comprehensive school. Such interim placement generally lasts from 4 to 9 weeks.

EXPULSION (LIMITED)
Long-term termination of enrollment in the regular schools in the Clark County School District, with the potential that a student may return to a regular school campus, under the provisions of a trial enrollment, following a successful period of Continuation School placement. FOR THOSE ACTIONS LISTED ON PAGE 13, IT IS CONTEMPLATED THAT THESE BEHAVIORS WILL RESULT IN A RECOMMENDATION FOR EXPULSION.

EXPULSION (PERMANENT)
Total termination of enrollment in the regular schools in the Clark County School District, with potential future enrollment
only in an alternative education program. **FOR THOSE ACTIONS LISTED ON PAGE 13, IT IS CONTEMPLATED THAT THESE BEHAVIORS WILL RESULT IN A RECOMMENDATION FOR EXPULSION.**

**EXPULSION (HABITUAL DISCIPLINARY PROBLEM)**

Pursuant to NRS 392.466(3), a student who is expelled from any Clark County School District school for habitual discipline as defined by NRS 392.4655, and as set forth in these guidelines, may be suspended from all Clark County School District Schools for a period not to exceed one school semester or expelled. The student must then enroll in a private school, be homeschooled, or enroll in a program of independent study.

**HABITUAL TRUANCY REFERRAL**

Referral to law enforcement for habitual truancy disposition on occasion of third incidence of truancy.

**STUDENT/PARENT SUBSTANCE ABUSE AWARENESS PROGRAM REFERRAL**

When the behavior problem area is related to alcohol/substance use or possession, the student and the parent must attend the substance abuse awareness program which involves participation in sessions totaling approximately six (6) hours of instruction.

**STUDENT DRESS CODE**

The Clark County School District Basic Dress Code serves to provide guidelines for student dress and appearance at all District schools (whether or not they adopt Standard Student Attire). Students are to be dressed in such a manner that their appearance in the school contributes to the learning environment. Exemption from the CCSD Basic Dress Code may be permitted for medical or religious reasons. Students have a responsibility to dress in alignment with the Clark County School District dress and appearance guidelines.

1. Require the wearing of shoes with soles. House slippers and shoes with wheels are not permitted.
2. All clothing must be sufficient to conceal any and all undergarments. No skin will show between bottom of shirt/blouse and top of pants or skirts at any time. All sleeveless shirts must have straps at least three inches wide. Prohibited tops include, but are not limited to, crop tops, tank tops, strapless, low-cut clothing, clothing with slits, or tops and outfits that provide minimum coverage.
3. Require that all shorts, skorts, skirts, and jumpers/dresses must be at fingertip length.
4. All jeans, pants, and trousers must be secured at waist level. Sagging is strictly prohibited. Jeans, pants, and trousers are not to have rips or tears that expose undergarments and/or are located mid-thigh or higher.
5. Headgear (hats, hoods, caps, bandanas, hair grooming aids, etc.) is not permitted on campus except for designated school approved uniforms, special events, authorized athletic practices, documented medical conditions, bona fide religious reasons, or CCSD/school sanctioned activities.
6. Slogans or advertising on clothing, jewelry, buttons, and/or accessories which by their controversial, discriminatory, profane, and/or obscene nature disrupt the educational setting are prohibited.
7. Any clothing, jewelry, buttons, and/or accessories that promote illegal or violent conduct, or affiliation with groups that promote illegal or violent conduct such as, but not limited to, the unlawful use of weapons, drugs, alcohol, tobacco, or drug paraphernalia, or clothing that contains threats are prohibited.
8. Spiked or studded clothing, jewelry, and/or accessories are prohibited.
9. Outerwear such as coats, mittens, and scarves must be removed upon entering the classrooms/buildings.

Administrators, teachers, and staff may use their discretion as appropriate based on the temperature in the facility. The school administration shall have the right to designate which types of dress, fashion, fads, or appearance disrupt or detract from the educational program and may be a potential safety hazard. The principal shall retain the authority to grant exceptions for spirit days, special event dress days, and school wide free dress days. On those CCSD/school sanctioned exception days, schools will notify the students and parents/guardians of the unique dress provisions. Additional information regarding student dress and appearance, including Standard Student Attire, is contained in CCSD Regulation 5131 Dress and Appearance.
Rules of Conduct for School Bus Riders

The students on the bus are under the immediate supervision of the bus driver and are, thus, subject to the rules set by the Clark County Board of School Trustees and the State of Nevada. Any offense of these rules by a student is to be documented on a School Bus Incident Report to Parents issued by bus drivers concerning the disciplinary offense with copies distributed to the principal, the parents, and the Clark County School District Transportation Office.

In order to provide for safety to passengers and effective, efficient use of buses, the following rules of conduct are established:

Bus students must stand in an orderly single-file line at pickup points until the bus comes to a complete stop.

Students must board the bus in an orderly fashion and go directly to a seat.

All students must remain seated while the bus is in motion. Students must remain seated until the bus has fully stopped, then enter the aisle and go directly to the front exit door. Exit through the front exit door after the bus has come to a complete stop. If you must cross the road, walk forward 10 feet or more, wait for the driver’s signal, then cross when it is safe to do so.

School Bus Student Behavior Offenses/Consequences

Any distracting action by the student creates a safety hazard by demanding unnecessary attention of the driver. Such actions are forms of misconduct. Specifically, loud talking, use of profanity, fighting, throwing things, smoking, damaging the bus or bus seats, standing, and eating or drinking, are examples of misconduct that may result in disciplinary action. Misconduct at the bus stop is considered a violation. When a student is guilty of misconduct on the bus, it will be reported to the principal of the student’s school.

Parents will be held responsible for any bus damage that may result from the student’s misconduct.

School Bus/Personal Vehicle Instructions:

- When driving your personal vehicle, it is unlawful to pass a school bus with its flashing red lights and stop arms activated (unless a median separates your portion of the roadway from the portion of the roadway were the bus is loading/unloading).
- It is unlawful to cross any portion of a crosswalk within the school–crossing zone until all students and the crossing guard has cleared the entire crosswalk. When traveling within the school zone, you must ensure that you are traveling at the appropriated post speed limit. Always be alert and watch for children.
- The school bus loading/unloading zones are designated for school buses only. Any distracting action by the student creates a safety hazard by demanding unnecessary attention of the driver. Such actions are forms of misconduct. Specifically, loud talking, use of profanity, fighting, throwing things, smoking, damaging the bus or bus seats, standing, and eating or drinking, are examples of misconduct that may result in disciplinary action.

Schools will provide the *Educational Involvement Accord* to each student’s parent/legal guardian and provide the parent/legal guardian with a reasonable timeline to sign the *Educational Involvement Accord* and return it to school. Additional guidelines regarding the implementation of these requirements are available on the Nevada Department of Education website at http://www.doe.nv.gov/parents/accord.html.
CODE OF HONOR
Nevada Department of Education

There is a clear expectation that all students will perform academic tasks with honor and integrity, with the support of parents, staff, faculty, administration, and the community. The learning process requires students to think, process, organize and create their own ideas. Throughout this process, students gain knowledge, self-respect, and ownership in the work that they do. These qualities provide a solid foundation for life skills, impacting people positively throughout their lives. Cheating and plagiarism violate the fundamental learning process and compromise personal integrity and one’s honor. Students demonstrate academic honesty and integrity by not cheating, plagiarizing or using information unethically in any way.

What is cheating?
Cheating or academic dishonesty can take many forms, but always involves the improper taking of information from and/or giving of information to another student, individual, or other source. Examples of cheating can include, but are not limited to:

- Taking or copying answers on an examination or any other assignment from another student or other source
- Giving answers on an examination or any other assignment to another student
- Copying assignments that are turned in as original work
- Collaborating on exams, assignments, papers, and/or projects without specific teacher permission
- Allowing others to do the research or writing for an assigned paper
- Using unauthorized electronic devices
- Falsifying data or lab results, including changing grades electronically

What is plagiarism?
Plagiarism is a common form of cheating or academic dishonesty in the school setting. It is representing another person’s works or ideas as your own without giving credit to the proper source and submitting it for any purpose. Examples of plagiarism can include, but are not limited to:

- Submitting someone else’s work, such as published sources in part or whole, as your own without giving credit to the source
- Turning in purchased papers or papers from the Internet written by someone else
- Representing another person’s artistic or scholarly works such as musical compositions, computer programs, photographs, drawings, or paintings as your own
- Helping others plagiarize by giving them your work

All stakeholders have a responsibility in maintaining academic honesty. Educators must provide the tools and teach the concepts that afford students the knowledge to understand the characteristics of cheating and plagiarism. Parents must support their students in making good decisions relative to completing coursework assignments and taking exams. Students must produce work that is theirs alone, recognizing the importance of thinking for themselves and learning independently, when that is the nature of the assignment. Adhering to the Code of Honor for the purposes of academic honesty promotes an essential skill that goes beyond the school environment. Honesty and integrity are useful and valuable traits impacting one’s life.

Questions or concerns regarding the consequences associated with a violation of the Code of Honor may be directed towards your child’s school administration and/or the school district.

BULLYING and CYBERBULLYING

Bullying and Cyberbullying is prohibited in Public Schools

The Nevada laws related to bullying and cyberbullying have recently been revised by the Nevada Legislature in Senate Bill 504 (SB 504). The law requires the District to include a copy of the text of the NRS 388.121 to 388.145 and certain sections of SB 504 in the rules of behavior for students. Because the provisions of SB 504 have not yet been codified, the District has combined the NRS and SB 504 in an attempt to provide a comprehensive summary of the bullying laws. Section numbers before the NRS statutory numbers are from SB 504. References to “this act” are also a reference to SB 504.

Policy 5137 - SAFE AND RESPECTFUL LEARNING ENVIRONMENT: BULLYING AND CYBERBULLYING

I. Introduction

The Clark County School District is committed to providing a safe, secure, and respectful learning environment for all students and employees at all District facilities, school buildings, in school buses, on school grounds, and at school-sponsored activities. The school district strives to address bullying and cyberbullying so that there is no disruption to the learning environment and learning process.

II. Definitions

Students should report any incident(s) of bullying and cyberbullying to a teacher, counselor, or school administrator. Students are also encouraged to report knowledge of bullying and/or cyberbullying via the CCSD “Say No to Bullying” Web site that allows individuals to anonymously report unlawful activities. However, students should be aware that the CCSD “Say No to Bullying” Web site is not monitored after school hours, or during weekends and holidays.

C. No cause of action may be brought against a student, an employee, or volunteer of a school who reports a bullying
and cyberbullying incident unless the person who made the report acted with malice, intentional misconduct, gross negligence, or intentional or knowing violation of the law.

D.
