1.0 Welcome & Roll Call

2.0 New Items

- 2.1 Plan of Operation for 18-19 – Mr. Roberts explained to the SOT that the school was still in a holding pattern for certain aspects for it's POA due to several aspects from the Department of Education.
- 2.2 School Performance Plan for 18-19 – Mr. Roberts informed the SOT that one goal was changed for the 17-18 school year, the insertion of a goal related to exit rate for ELL students.
- 2.3 Strategic Budget 18-19 – Mr Roberts informed the SOT that the state still has not released the SB-178 funds and there no staffing decisions can be made at this time. Mr. Polzein made a recommendation to the group that the SOT give Mr. Roberts full authority to create a budget and personnel plan as needed upon the release of SB-178 funds. The full group gave it's consent to this suggestion.
- 2.4 Personnel update – Mr. Roberts informed the group that there would be some staffing changes due to anticipated retirements and /or resignations but there are no official openings for next school year at this point. He also explained that there is a good possibility that the school will be able to add the computer science CTE pathways to it's master schedule for next year regardless of whether the school receives SB-178 funds or not.
