## Parking Lot Information

Thomas & Mack CENTER

Sam Boyd STADIUM

COX Pavilion

- The Thomas & Mack Center currently has 58 handicap parking spaces.
- Sam Boyd Stadium has 151 handicap parking spaces.
- Guests using wheelchairs or needing other assistance may be dropped off by a companion at the front entrance of all 3 venues; the companion can then park the vehicle in a marked space.
- When the handicap parking spaces fill up, we will direct our guest to drop off at the designated location in front of the facility.
- Our VIP lots at all 3 facilities are reserved for suiteholders and club seats holders. These parking spaces are not closer to the venues than the handicap parking spaces, yet they are closer in proximity than the general public; this lot also contains handicap spaces.
- Through various contracts, we issue VIP Parking Passes for every event and are therefore obligated to have those spots available for sponsors and building partners.
- Guests needing additional information about our facilities can call our Guest Services Information line at (702) 895-0974.
