I'm eager to collaborate with others who share a commitment to making our school a place where everyone can thrive academically, socially and emotionally. Additionally, I want to bring fresh ideas and a student-centered perspective to help address challenges and improve opportunities for all students.

Please share your relevant experiences, skills/competences, or characteristics which will assist our School Organizational Team in our collaborative efforts to plan.

As a parent of a Senior here, I have been very active in all aspects of the school over the last few years. I volunteered at all levels of school thought my child's educational journey and am focused on making it the best year for all students.
