SOT candidate profile 25-26

Candidate C: AJ Coleman

Why are you interested in serving on the Green Valley High School Organizational Team?

I have been part of this community my entire life. I care about this school, community, and all its stakeholders. I believe I can bridge the gap between staff, parents, and students.

Please share your relevant experiences, skills/competences, or characteristics which will assist our School Organizational Team in our collaborative efforts to plan.

I have been an educator and head coach for 15 years. I have taught both general and special education, so I understand the needs of students at all levels. As a parent of a middle school & high school student. I know the difficulty of parenting teenagers, as well as the concerns parents hold.
