Hello Gators and Future Gators,

Course planning for the 2026/2027 school year is here! Please click here to review the [2026/2027 course catalog](#) for a description of all course offerings, and read on for information about course selection.

## CORE CLASSES

English, Math, Science, and Social Studies placements are determined by teacher recommendations. Students who are coming from out-of-district should reach out to their assigned counselor to confirm core class placement prior to the start of the school year. Counselor contact information can be found [here](#).

## ELECTIVES

After reviewing the course catalog, students should [click here to choose their electives](#). Students should choose six different electives in preferential order and check their CCSD GMail for a copy of their responses. Students may resubmit if they change their mind on their preferences, and counselors will schedule them according to their most recent submission. Please remember that electives may not be changed once classes have begun.

**Note that the following electives require an application:**

- Gator Pride ([apply here](#))
- Student Council ([apply here](#); application opens on 3/7/26)
- Cafeteria Work (pays \$11.50 per hour and grants 1 elective credit; [submit interest form here](#))

We look forward to starting off the 2026/2027 school year with you soon!

Thank you,

*GVHS Counselors*
